## <> TECHNICAL SKILLS </>

**PROGRAMMING :** PYTHON 3 • HTML5 • CSS/SASS • JAVASCRIPT ES6+ • SQL

**FRONT-END:** BOOTSTRAP • TAILWIND • DOM MANIPULATION • REACT • REACT HOOKS • REDUX TOOLKIT • JQUERY

**BACK-END :** DJANGO 4 • POSTGRESQL • FASTAPI • RABBITMQ • INSOMNIA • BEEKEEPER

**SYSTEM DESIGN :** MONOLITHS • MICROSERVICES • DOMAIN-DRIVEN DESIGN • MESSAGE PASSING • EVENT SOURCING

**TOOLS :** GIT • GITHUB • GITLAB • DOCKER • VISUAL STUDIO CODE • FIGMA • ILLUSTRATOR • PHOTOSHOP

## <> APPLICATION DEVELOPMENT EXPERIENCE </>

**PROJECT\_NAME\_3 | FULL-STACK | 2023**  REACT • FASTAPI • POSTGRESQL • TAILWIND • DOCKER • CI/CD

- » Collaborated on a full-stack web application with FastAPI, React, and Tailwind CSS, enhancing journal management and user engagement.
- » Implemented secure API endpoints with FastAPI, enabling user authentication and authorization for post management, leveraging PostgreSQL for efficient data organization.
- » Automated the development workflow by implementing efficient CI/CD pipelines for building, testing, and deployment.

**PROJECT\_NAME\_2 | FULL-STACK | 2023**  DJANGO • REACT • POSTGRESQL • BOOTSTRAP • DOCKER

- » Collaborated on integrating three microservices (inventory, sales, service) using Django and RESTful APIs to develop a dynamic backend.
- » Built a React single-page application with state management using Hooks and functional components, integrating microservices and facilitating data transfer with RabbitMQ pollers.
- » Utilized Bootstrap for a modern and streamlined UI development process.

**PROJECT\_NAME\_1 | FULL-STACK | 2023**  PYTHON • DJANGO • HTML • CSS

- » Optimized Django models, views, and forms to boost productivity.
- » Created dynamic and engaging web pages through CSS for improved user experience.
- » Ensured data security by leveraging the Django user authentication system.

## <> PROFESSIONAL EXPERIENCE </>

**COMPANY | TITLE | YEAR**

- » Resolved complex customer inquiries and complaints promptly, resulting in a high rate of issue resolution.
- » Maintained a customer satisfaction rating of 90% by building relationships with customers to sustain retention.

**COMPANY | TITLE | YEAR**

- » Exceeded sales quotas by 120% by utilizing consultative selling techniques to increase sales and revenues for the company.

## <> EDUCATION </>

**HACK REACTOR | SOFTWARE ENGINEERING IMMERSIVE CERTIFICATE | YEAR**

**SAN FRANCISCO STATE UNIVERSITY | B.S. BUSINESS ADMINISTRATION | YEAR**
